

Kyli White

Front-End Developer

I am a certified Front-End Developer with experience in many different fields. I believe the skills and knowledge I gained from my previous pursuits allow me to view what I create from the side of the consumer in various contexts.

I have been trained in leadership, freelancing, administrative systems, sales, music, and now web development.

Experience

2023-Present

Perkins Code LLP | 1201 3rd Ave., Seattle, WA

Operations Assistant

I serve as a primary contact for attorneys trying to find solutions to their administrative issues. I manage building access as well as expense reports, building maintenance requests, and directing employees to the proper channels for their specific questions.

2022-2023

Rover | Remote

Dog Walker

Using the Rover platform, I connected with pet owners and cared for their pets in an organized fashion. I was quick to respond to their queries and ensured that I would be able to take the best care of their pets.

2022

Particle Goods | Ballard, Seattle, WA

Event Agent

Set up and sold products at Pike Place Market. Made sure that the displays were organized, visually appealing, and easy to access. Payments were made through Square devices.

2022

Freelance | Seattle, WA

Yoga Teacher

Became certified and taught Yoga at various locations around Seattle. Used Zoom to teach virtual classes, and created new sequences every week based on different areas of the body.

2012-2021

Freelance | Various Locations

Section Musician

I received two degrees in Music Performance and played with orchestras in Washington and Illinois. I worked with fellow musicians constantly and collaborated to come to a consensus when it came to interpreting the assigned music.
